

FRIDAY, NOVEMBER 4, 2022

7:00 am	REGISTRATION Marriott Ballroom Foyer	12:00 pm	Complimentary Luncheon and Non-CME Presentations
7:00	Complimentary Breakfast Marriott Ballroom E-F	SESSION 3: SNMMI GOVERNANCE AND ADVOCACY UPDATE 2022	
7:55	WELCOME ADDRESS Mystic Ballroom Munir Ghesani, MD, FACNM, FACR Lawrence Saperstein, MD	Moderator:	April Mann, MBA, CNMT, NCT, RT(N)
SESSION 1: CONSIDERATIONS FOR THERANOSTICS		1:30	SNMMI Advocacy Updates 2022 Munir Ghesani, MD
Moderator:	Kathleen Krisak, CNMT	2:15	SNMMI-TS Advocacy Updates 2022 Krystle Glasgow, CNMT
8:00	Theranostics in Private Practice Tony Abraham, DO, MBA	3:00	Refreshment Break & Visit The Exhibits
9:00	Technologist Considerations when Performing Theranostics Sarah Clements, CNMT	SESSION 4: PSMA PET / HOWARD KAY LECTURE	
		Moderator:	Tony Abraham, DO, MBA
10:00	Coffee Break & Visit The Exhibits	3:30	Update on the Vision Trial and Lu-PSMA Therapy of Prostate Cancer for 2022 Phillip H. Kuo, MD, PhD
SESSION 2: PROSTATE CANCER THERANOSTICS		4:30	Neuro Theranostics : Next Frontier for Health Span Phillip H. Kuo, MD, PhD
Moderator:	Munir Ghesani, MD	5:00	Complimentary Reception Exhibit Hall
10:30	Prostate Cancer Theranostics - Nuclear Medicine View Nasrin Ghesani, MD		
11:15	Prostate Cancer Theranostics - Clinician Perspective Vaibhav Patel, MD		

TARGET AUDIENCE
This meeting is intended for all nuclear medicine physicians, scientists, physicists, technologists, and nursing professionals.

NUCLEAR MEDICINE TECHNOLOGISTS: VOICE CATEGORY A CREDITS
The SNMMI, through its Verification of Involvement in Continuing Education (VOICE) program, has approved this meeting to offer continuing education hours (CEHs), final hour count TBD closer to the meeting. VOICE-approved credit is recognized by most licensure states and by the NMTCB and ARRT as Category A credit. Participants will receive CE credit for those sessions at which they were present a minimum of 80% of the session.

PHYSICIAN: CONTINUING MEDICAL EDUCATION
This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Society of Nuclear Medicine and Molecular Imaging, Inc. (SNMMI) and the New England and Greater New York Chapters, SNMMI. The SNMMI is accredited by the ACCME to provide continuing medical education for physicians.

SELF-ASSESSMENT MODULE (SAM) CREDITS
In addition to CME credits, physician attendees will have the opportunity to earn SAM credits. Physicians must attend the entire session to earn SAM credits and complete the post-activity online assessment.

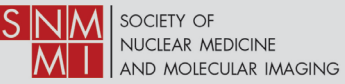

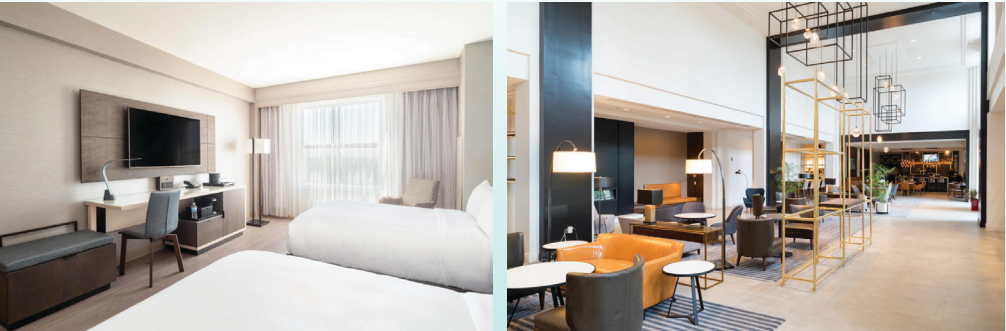

SATURDAY, NOVEMBER 5, 2022

7:00am	Complimentary Breakfast Marriott Ballroom E-F	11:45	Visit The Abstract Posters Rachel Powsner, MD Borys Krynycki, MD Jeffrey Kempf, MD
SESSION 5: BREAST CANCER IMAGING		12:00 pm	Complimentary Luncheon and Presentation Marriott Ballroom E-F
Moderator:	Jeffrey Kempf, MD		
8:00	FES Imaging: Nuclear Medicine Perspective Sophia O'Brien, MD	SESSION 7: GENERAL NUCLEAR MEDICINE	
8:45	FES Imaging: Clinician Perspective Amy Clark, MD	Moderator:	Maggie Doonan, CNMT
9:30	Coffee Break & Visit The Exhibits	1:30	Role of the Technologist in 2022 Mario DiDea, RT(N) Grace Tursi-Wenzler, CNMT
SESSION 6: NEUROENDOCRINE IMAGING AND THERAPY		2:15	Pediatric Nuclear Medicine in 2022 Frederick Grant, MD
Moderator:	Lawrence Saperstein, MD	3:00	Refreshment Break
10:00	Neuroendocrine Tumor Theranostics - View from Nuclear Medicine Munir Ghesani, MD	SESSION 8: THYROID CANCER AND NUCLEAR JEOPARDY	
		Moderator:	Marc Seltzer, MD
10:45	Neuroendocrine Tumor Theranostics - Clinician Perspective Edward Wolin, MD	3:15	Update on Nuclear Medicine Treatment of Thyroid Cancer for 2022 Frederick Grant, MD
		4:00	Nuclear Medicine Jeopardy Don Yoo, MD Marc Seltzer, MD

SUNDAY, NOVEMBER 6, 2022

7:00am	Complimentary Breakfast Marriott Ballroom E-F	10:00	Coffee Break
SESSION 9: CARDIAC IMAGING I / HOLMAN KAPLAN AWARD		SESSION 10: CARDIAC IMAGING II	
Moderator:	Jay Kikut, MD	Moderator:	Munir Ghesani, MD
8:00	Considerations and Clinical Advantages of Performing Myocardial Blood Flow Cardiac PET MPI Marcelo Di Carli, MD	10:15	Cardiac PET Imaging: Clinical Case Review Marcelo Di Carli, MD
9:00	Consideration for Performing Cardiac Sarcoidosis Imaging Edward J. Miller, MD	11:15	Cardiac Imaging: Clinical Cases II Edward J. Miller, MD
		12:15 pm	ADJOURNMENT

Greater New York and New England Chapters
**35th ANNUAL NORTHEAST
REGIONAL SCIENTIFIC MEETING**

November 4-6, 2022 • Marriott Mystic Hotel & Spa • Groton, Connecticut

MEETING REGISTRATION FORM
Please Type or Print Clearly

Name: _____
Last First Degree/Certification (MD, PhD, CNMT, RT)

Mailing Address: _____

City: _____ State _____ ZipCode _____

Telephone () _____ email _____

SNMMI Member Number _____

Check Appropriate Box:	Registration Fee
<input type="checkbox"/> Physician/Scientist, SNMMI Member	\$ 350.00
<input type="checkbox"/> Physician/Scientist, Non-Member	\$ 450.00
<input type="checkbox"/> Resident or Fellow	\$ 185.00
<input type="checkbox"/> Technologist, SNMMI Member	\$ 185.00
<input type="checkbox"/> Technologist, Non-Member	\$ 325.00
<input type="checkbox"/> Technologist Student	No Fee

All fees include handouts, refreshment breaks, breakfast on Friday, Saturday, and Sunday, lunch on Friday and Saturday, and reception on Friday.

☐ If you have a disability which requires special accommodations, please check here and advise us of your needs at least two weeks in advance of the program.

Please make check payable to:
GNYC, SNMMI
and mail to:

Mitchell H. Stromer
Northeast Regional Meeting, SNMMI
78 Halley Drive
Blue Point, NY 11772
Email: mitch360@aol.com

You can also register and pay online utilizing a credit card at
www.greaternycsnm.org

EDUCATIONAL OBJECTIVES

After participation in these sessions attendees will be able to:

1. Discuss consideration for performing theranostics in the private practice setting.
2. Discuss appropriate training for technologists involved in performing theranostics.
3. Discuss the clinical and technical considerations for performing theranostic procedures in prostate cancer patients, a view from the nuclear medicine physicians.
4. Discuss the clinical utility of performing theranostic procedures in prostate cancer patients from the referring physician perspective.
5. Discuss the latest advocacy efforts on behalf of the SNMMI and the importance to the field of nuclear medicine.
6. Discuss the latest advocacy efforts on behalf of the SNMMI-TS and the importance to the nuclear medicine technologist.
7. Provide an update on PSMA imaging related to clinical applications and future research within the field.
8. Discuss clinical and technical considerations of FES Imaging in breast cancer patients from the nuclear medicine perspective.
9. Discuss the clinical utility of FES Imaging in breast cancer patients from the referring physician perspective.
10. Discuss clinical and technical considerations of theranostic procedures for patients with neuroendocrine tumors from the nuclear medicine perspective.
11. Discuss the clinical utility of theranostic procedures for patients with neuroendocrine tumors from the referring physician perspective.
12. Discuss the evolving role of the nuclear medicine technologist with the growth of theranostic and other procedures being performed in nuclear medicine.
13. Provide an update of the clinical utility of nuclear medicine procedures in the care and treatment of pediatric patients.
14. Provide an update on the use of nuclear medicine therapies for treatment of thyroid cancer.
15. Identify sources of artifacts, errors and clinical consideration for various nuclear medicine procedures.
16. Discuss the clinical advantages of myocardial blood flow and how it is used to guide management of patients with coronary artery disease.
17. Identify sources of artifact and errors and clinical considerations for advanced cardiac PET procedures.
18. Provide an update on the clinical and technical considerations of performing Cardiac PET to identify sarcoidosis.
19. Identify sources of artifacts and errors and clinical considerations for various cardiac imaging procedures.

MEETING DESCRIPTION

The Annual Scientific Meeting of the Greater New York and New England Chapters of the SNMMI is a continuing education course designed for nuclear medicine physicians, radiologists, technologists, and scientists. Nationally recognized faculty will provide attendees with information that will enhance clinical practice. This year's program will review nuclear medicine applications to such fields as theranostics, cardiology, neurology, oncology, and therapy.

CALL FOR ABSTRACTS

The Greater New York/New England Chapters of the Society of Nuclear Medicine and Molecular Imaging are accepting abstracts for poster presentations for their upcoming Northeast Regional Meeting to be held at the Mystic Marriott Hotel and Spa.

We encourage submissions of scientific abstracts and case reports from physicians, physicians in training, technologists, and students, including SNMMI members and non-members to either Rachel Powsner, MD of the New England Chapter (Rachel.Powsner@va.gov) or Borys Krynycki, MD of the Greater New York Chapter (syrob@msn.com) or Jeffrey Kempf, MD of the Greater New York Chapter (Jeffrey.Kempf@univrad.com), by Monday, October 18, 2022.

Honoring the memory of Dr. Hussein Abdel-Dayem the top three posters judged to have the highest scientific merit during this meeting will receive the following awards:

Poster Awards
1st place: \$1,000.
2nd place: \$750.
3rd place: \$500.

All accepted abstracts will be published in Clinical Nuclear Medicine. Abstracts should be submitted as Microsoft Word documents, with a maximum word count of 500 words, and be divided into headings of Background, Methods, Results, and Conclusions. Embedded black and white images, graphs and/or tables are acceptable. At least one author must be present for a poster to be included in the judging for monetary awards. The judges will not accept previously presented abstracts at other meetings. Posters can be displayed starting the morning of Friday, November 4th, but must be on display by early Saturday morning, November 5th to be considered for monetary awards. Posters need to be removed by noon on Saturday. The winners of the abstracts judged by a panel of experts to be of the highest scientific merit will be announced at the conclusion of the poster presentation session at noon on Saturday, November 5. All accepted presentations will be in poster format (4' vertical x 8' horizontal boards).

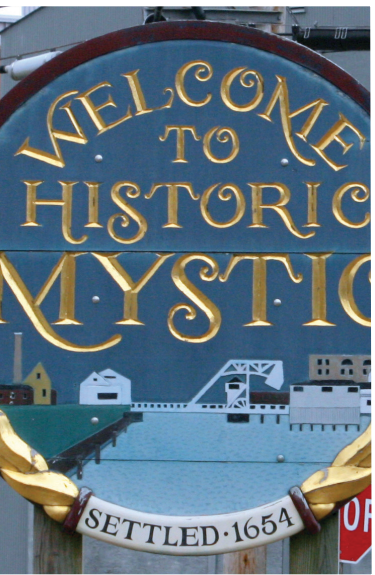

GENERAL INFORMATION

DATES: November 4 – 6, 2022
LOCATION: Marriott Mystic Hotel & Spa
625 North Road, Route 117
Groton, CT 06340
PHONE: 1-860-446-2600
REGISTRATION: Marriott Ballroom Foyer, Friday, November 4, 2022, 7:00 A.M.

ACCOMMODATIONS

A block of rooms has been reserved at the scenic Mystic Marriott Hotel and Spa. The Hotel is located off of Exit 88 on I-95 in Groton, Connecticut. Facilities include indoor pool, fitness center, and the Cerulean Spa. Nearby attractions include Foxwoods and Mohegan Casinos, Mystic Seaport, Mystic Aquarium, and Olde Mistick Village. Reservations can be made by calling 866-449-7390 and utilizing Group Code : LEALEAM or through the following website: <https://www.marriott.com/event-reservations/reservation-link.mi?id=1606832602308&key=GRP&app=resvlink>

The rate for single or double occupancy is \$175.00 per night, excluding tax. This special meeting rate is a greater than 50% savings over rack rates. The Hotel will hold reduced room rates until October 7, 2022.
