Northeast Regional Meeting

New England/Greater New York Chapters

Dear Exhibitor:

We invite you to attend the Northeast Regional Scientific Meeting of the New England/Greater New York Chapters, Society of Nuclear Medicine and Molecular Imaging. The meeting will be held November 13-15, 2026 at the Newport Harbor Island Resort, Newport, RI. The membership of the New England and Greater New York Chapters include professionals from New York, New Jersey, Pennsylvania, Connecticut, Delaware, Massachusetts, Rhode Island, New Hampshire, Vermont and Maine.

We have decided to hold joint meetings annually in order to honor the request of the vendors not to hold separate Chapter meetings. However, in order for a joint meeting to be financially viable, please consider renting multiple booths and/or sponsoring a meeting activity.

The Chapters will supply each 8' x 8' booth with an identification sign, one six foot draped table, two side chairs, and one wastebasket.

The experience for the past few years has been an Exhibit Hall which has been completely sold out. Early return of your company's application will ensure the acquisition of an exhibit booth in a location of your choice.

Payment need not accompany your application form.

Sincerely,

Mitchell Stromer

Mitchell H. Stromer
Executive Director
Greater New York Chapter
